As per the circular issued by JNTUK dated 26.11.2025, with Proc. No. E/JNTUK/Examination Procedures/UEC/2026, the Revaluation procedure and evaluation norms have been modified as per the new examination procedures issued by JNTUK. These procedures are implemented by the College with effect from April 2026 onwards. The procedure will be as below

1. All answer scripts for which revaluation is applied will undergo a **second valuation (V2)**
2. The external marks will be compared between the first valuation (V1) with marks obtained in the second valuation (V2). If the difference between V1 and V2 is less than 20% of the maximum external marks, the final external marks shall be the average of V1 and V2.
3. If the difference between V1 and V2 is equal to or more than 20% of the maximum external marks, the answer script shall be evaluated by a third evaluator (V3). In such cases, the final external marks shall be the average of all three valuations, calculated as:

$$\text{Final External Marks} = \frac{(V1 + V2 + V3)}{3}$$

Therefore, after revaluation:

- The student may secure **higher marks**,
- The **same marks**,
- **lower marks**, or
- May **fail**, even if declared pass earlier.

The Director of Academics, Prof. M.H.M. Krishna Prasad suggested to take measures and conduct remedial classes to the I year students. The Chairman noted the same. The academic council committee members approved the above results.
